Electronic votes can happen with the steering committee with Slate Belt Rising. We need to give this to Steve.

Working on splitting up the money with all the events. None of the money can be used for advertising.

We need to work on getting sponsorships for all of the events.

We need to use the money by September 30th.

We need examples of people who make shirts, banners, posters, etc. Send that information to Jill, Anthony and Janet so we can centralize it. E-mail all the information so we can call them.

\$543 goes to the Block Party.

\$2000 goes to the events.

We need to submit the amount and the committee will write a check directly to the company we are purchasing from.

Jacks might send money our way.

We are creating a sponsorship level form and an individual form for the events.

How are we counting people attending? We need to give those numbers to Steve. They need solid numbers for Slate Belt Rising.

Next meeting is May 3rd at the Pub 6 pm.

Respectfully,
